

Supplier Quality Questionnaire

Dear Supplier,

This questionnaire is designed to maintain the approved supplier status of any company supplying to Ontic UK

The following items should also be included with the completed Quality questionnaire:

1. Copy of third-party certifications (i.e. EASA, AS9100, ISO9001 etc)
2. Company and Quality Department organization chart(s)

The data furnished herein pertains to your facility and is applicable to the execution of Ontic UK's purchase orders. It is agreed that Ontic UK will be notified of any changes in your organization or procedures that may affect conformity verification of applicable supplies or services. It is further agreed that failure to furnish a description of such changes for Ontic UK review or willful misrepresentation of facts specified herein may result in disapproval as an Ontic UK Supplier.

Please complete this Word document and email it back to relevant person
